

MFP + ASP or MFS + ASS

### Why choose Farrat MF Mounts?

Farrat MF Mounts offer a simple and economical means of supporting, levelling and vibration damping lightweight machinery suited to levelling screw support.

**MFP:** Bright zinc plated mild steel.

**MFS:** Stainless Steel for food drink & chemical industries.

Manufactured by Farrat they have been used for decades in thousands of applications around the world.

### Advantages of using MF Mounts:

- Pendulum screw tilts up to 5° Tilt in all directions.
- Oil resistant nitrile rubber base.
- Enables excellent, stable seating on uneven floors.
- Vibration damping to improve machine performance, reduce machine wear and lower noise levels.
- High friction grip so machines don't move.
- No bolting down or grouting for fast and economical installation and relocation.

### Typical Applications:

- Lightweight machine tools.
- Measuring, weighing, test and optical equipment.
- Laboratory equipment.
- Scanning and X-ray machines.
- Conveyors.
- Injection moulding machines.
- General machine tools.
- Printing machines.
- Food, drink and pharmaceutical machines and equipment.
- Process and packaging machines.

MFP Bases - Bright Zinc Plated Mild Steel				
Base Model	Max Load (kg)	D (mm)	H <sub>1</sub> (mm)	Tilt in all directions
MFP10	850	100	14	5°

MFS Bases - Stainless Steel 304				
Base Model	Max Load (kg)	D (mm)	H <sub>1</sub> (mm)	Tilt in all directions
MFS05	300	50	15	5°
MFS08	600	80	16	5°
MFS10	850	100	18	5°

Adjusting Screw Dimensions					
ASP Zinc Plated Mild Steel Adjusting Screws (with 2 Hex. Nuts & 2 Washers)					
ASS Stainless Steel 304 Adjusting Screws (with 2 Hex. Nuts & 2 Washers)					
Model		Spanner Required A/F	H <sub>2</sub> (mm)	H <sub>3</sub> - Screw Lengths (mm)	
ASP or ASS	M10 x 1.5	17	20	90	-
ASP or ASS	M12 x 1.75	19	21	90	140
ASP or ASS	M16 x 2	24	24	90	140
ASP or ASS	M20 x 2.5	30	28	90	140
ASP	M24 x 3	30	30	-	140

Order examples	
MFP10 + ASP M12 x 1.75 x 90	Bright Zinc Plated Mild Steel Base + Bright Zinc Plated Mild Steel M12 Pendulum
MFS10 + ASS M16 x 2 x 140	Stainless Steel Base + Stainless Steel M16 Pendulum Screw Assembly

Alternative variants are available on request.
